SAF Program Fees

Your SAF program fee covers the services included in your SAF program, including tuition and services, housing, and insurance. The SAF program fee does not include living expenses, airfares, visas, textbooks, personal expenses, local transportation, local telecommunication, or any other optional inclusions. Typical optional inclusions include enrolment in additional or higher-level credits, meals not explicitly included, or specialized housing you may request or be placed in at the discretion of your host university or SAF.

Tuition & Service Fees

Your tuition and service fees include all compulsory fees for a standard study load in your selected program. The fee includes personalized guidance, housing placement, and student support while studying abroad.

Housing Fees

Your SAF program includes housing selected by SAF for the best possible study abroad experience and may include a meal plan. Styles and inclusions vary around the world.

You may elect to secure your housing independent of SAF. Ensure you understand the policies and implications of selecting independent housing on your program fee by discussing this option with your Student Counselor before confirming your enrollment.

The housing configuration and fee information represent SAF's best expectations at the time of printing. Should final arrangements differ, you will be advised about variations and supplemental invoicing as soon as information becomes available.

Insurance Fees

Your health and safety are our priority. Your SAF insurance fees will always include comprehensive health insurance and emergency travel insurance. Your insurance policy may be organized through SAF or your host university.

Contact your Student Counselor if you have questions about your SAF program fees.
